**Here's your ticket to ride.**

**There are 19 million new reasons to use condoms!**

The U.S. has the highest STI rates in the developed world—19 million new cases are reported each year! It's hard to believe that we have just reached the 25<sup>th</sup> anniversary of the HIV epidemic and yet we're still struggling with the highest rates of STIs. That's why the makers of LifeStyles® Condoms would like to remind everyone out there: if he doesn't have a ticket to ride, keep on walking!
